House Charities®**  
Alberta

**Temporary Guest Services Host  
8 Week Position, 35 Hours per Week  
Wednesday through Sunday 2:00-9:00pm**

Ronald McDonald House Charities® Alberta (RMHC Alberta) is passionate about providing a home away from home for families with seriously ill or injured children. Seventy per cent of Canadian families live in an area without a children's hospital. This means that when a child is seriously ill or injured, families must leave their homes, jobs and support systems to access vital – and often life-saving – medical care. RMHC Alberta is here to help. We keep families close.

We know that when a child is sick, the whole family hurts. That's why we're part of a global network prioritizing family-centered care through our unique core programs. We offer 6 private family suites at the Medicine Hat House and 79 private family suites across Alberta. Our Ronald McDonald Houses provides a warm, compassionate and comfortable environment where families can share experiences, eat a warm homemade meal and rest while caring for their child in the hospital.

Reporting to the General Manager, the Guest Services Host will be responsible for, but not limited to, assisting families with check-in and check-outs, coordinating volunteers, welcoming guests to the House, general office administration and helping Housekeeping when needed.
